GOVERNMENT OF MEGHALAYA
EDUCATION DEPARTMENT
Public Advisory for Parents and Guardians
Dated Shillong, the 10th April, 2025.

In view to ensure the safety and well-being of students studying in schools outside the state residing in hostels far from home, Government of Meghalaya urges all parents and guardians to take necessary precautions when sending their child for education outside the state. The below mentioned points can be followed as a safety checklist by the **parents and guardians:**

- Seek Government-Recognized Institutions:** Choose hostels and schools that are officially recognized and have a history of maintaining proper safety standards.
- Verify Legitimacy:** Ensure that the School, College, or Hostel where your child will reside is legally registered and recognized by the appropriate government authorities. Avoid unregistered or unverified institutions.
- Check Safety Standards:** Confirm that the hostel maintains proper living conditions, security measures, medical facilities, and staff accountability before enrolling your child.
- Conduct Background Checks:** Research the institution's reputation, management and safety measures. Speak with current students and their families if possible.
- Stay Connected:** Maintain regular Communication with your child and check in frequently regarding their living conditions and well-being and any concerns they might have.
- Report Suspicious Activities:** If you come across any illegal or suspicious activities in a hostel, they should report it to the local authorities, concerned education department and law enforcement authorities.
- Emergency preparedness:** Equip your child with essential emergency contacts, including local authorities, nearby relatives or family friends, and other trusted individuals who can provide immediate assistance if needed.
- Visit the Hostel:** Personally visit the hostel to ensure it meets the necessary safety and hygiene standards.

Advisory For Students:

- Open Communication:** Share your Experiences, concerns, or discomforts with your parents or guardians. Transparent communication is vital for addressing issues promptly.
- Know your Rights:** Familiarize yourself with your rights as a student and hostel resident. Understanding these can empower you to recognize and report any violations or unsafe conditions.
- Emergency Contacts:** Keep a list of emergency contacts, including the Meghalaya government helpline, local police, local authorities, local law enforcement, medical facilities and trusted family members or friend who can assist them in times of distress.
